**Proceeds to benefit Shiloh Adventure Camp
 and Rotary's Polio Plus Campaign**

WE ARE LOOKING FOR SPONSORS

We are asking for your help in sponsoring this event. We're teaming up with Brevard youth organizations to take approximately 30 kids (ages 12-16) to catch snapper, sea bass and other species on the reefs off shore of Port Canaveral. Many of these kids don't have the resources and have never had a fishing experience like this. Proceeds from this event will benefit Shiloh Adventure Camp and Merritt Island Breakfast Rotary International's PolioPlus Campaign. Shiloh Adventure, Inc. is a not-for-profit organization seeking to build a youth camp and retreat in Brevard County. They currently provide overnight week long summer camps for boys and girls at Long Point Park, and other outing events like this throughout the year. Funds raised will go toward Shiloh's building fund, camper scholarship fund and help to eliminate Polio in those countries that still have the disease.

Gold Level Sponsor	\$500.00	5-6 Youth
Silver Level Sponsor	\$250.00	2-3 Youth
Bronze Level Sponsor	\$100.00	~ 1 Youth

Please make your tax deductible donation payable to "Shiloh Adventure, Inc." Shiloh Adventure, Inc. and Merritt Island Breakfast Rotary are 501(C)(3) not-for-profit organizations. If bad weather cancels the event, your donations will still go to Shiloh Adventure and Polio Plus.

Thank You for your help!
